

# ME Awareness Week

11th - 17th May 2020

## The Lost Years

M.E. (myalgic encephalopathy or encephalomyelitis) is a complex multisystem disease with a wide range of disabling symptoms, for which there is no cure.

Lost  
dreams  
Lost  
health  
Lost  
lives

DANIELLE

"M.E. has stolen my life, taken a mother from her children, a wife from her husband, a daughter from her parents and a friend from her friends. I hope every day for more research and a cure. My little girl always asks, 'When will you be better?' It breaks my heart"
