

How to make your flower display

You will need:

Scissors, glue, colouring pens or pencils, a toilet roll inner tube or roll of card.

How to Make:

1. Carefully cut out the pot and plant picture.
2. Cut out the flowers you would like to use.
3. Colour in any black and white flowers before cutting them out.
4. Glue the flowers onto the leaves.
5. Use a toilet roll inner tube or roll of card and glue your plant to it so it stands upright.
6. Display on a windowsill or beside your bed!
