

NHS Learning Hub now has CPD modules on ME/CFS

Including support of severe ME/CFS

Introduction to Myalgic encephalomyelitis or chronic fatigue syndrome (ME/CFS) elearning

<https://learninghub.nhs.uk/resource/51215/item>

Supporting people with severe ME/CFS

<https://learninghub.nhs.uk/resource/79376/item>

Support and Clinical Management of Severe ME/CFS

<https://learninghub.nhs.uk/resource/71269/item>

Guidance for community-based HCPs

<https://learninghub.nhs.uk/resource/60400/item>

This session is restricted to full users only

The e-learning modules were created with the Department of Health and Social Care (DHSC) and following NICE guidance, with input from clinicians, government representatives, charities including the ME Association, and people with lived experience. Modules also reference further guidance and resources. A certificate of attendance is awarded on completion of the course.
