

Demystifying ME/CFS

Myalgic Encephalomyelitis/
Chronic Fatigue Syndrome

ME/CFS is often missed as a diagnosis, and many doctors find managing the condition difficult. This informative evening aims to improve awareness and education of ME/CFS among healthcare professionals and medical students.

Featured speakers:

Dr Nina Muirhead

Dermatologist and ME/CFS
Patient

Dr Charles Shepherd

Honorary Medical Advisor,
ME Association UK

Caroline Kingdon, RN

ME Biobank Coordinator

Topics to be covered:

**ME/CFS: the facts and why
it is often missed**

**New research: GWAS and
post-mortem research at
Cambridge**

Patient's perspective
